Como tejer un cuadradro granny a crochet paso a paso

We all know that when you are learning to Crochet even the simplest and easiest project, in practice, may not be so.

In this post I want to show you how to crochet a granny square. This is an ideal project for beginners, since you only have to able to double crochet, chain and slip stitch; you can crochet using only one colour o different colours, resulting in many different color combinations; you can crochet several small grannies and most importantly: grannies can be joined for a variety of projects: scarves, purses, coasters, pot holders, shirts, jackets, blankets …

In the next posts I will show you how to join granny squares to crochet this projects.

But first we will learn how to crochet our first granny square:
